Dear [ ]

Your letter of the 23th received.

I have just **remeived x** reserved my plane. Sept. 3 from Dénver 4 PM <u>Fl. 868</u> United Airlines. Arrival Friendshipsfield Int. Airport 10:15 P.M.

I have to pay for the ticket here in L.A. next week and it costs \$97.96. \*\*\*\*

So, I'll be seeing you! On Friday August 31, I'll be leaving late in the evening for Denver with my car and hope to be there in Sunday 2 September. Therefore, the time from September 4 -- Sept. 8, I am placing completely at your disposal, since durithis time I have nothing planned in the capital, except, if you will permit me to visit some Latvian friends whom I haven't seen in more than 20 years, otherwise I will devote more after the "morning quaterback session."

A short time ago, I received something like an offer from Purdue University

Lafayette (Ind.) and therefore sent all my papiers there. Would it be possible to lengthen

MRITAY the return trip in order to visit C.J. Mackey, the director of physical education and make athletics in Lafayette?

My friend Fred MW Wolt (F,B.I.) also lives in Lafayette. Well, I hope to hear MEXER again from you here in Los Angeles.
